Big Horn County 4-H and FFA Livestock Sale Welcome

Hello and welcome to the Big Horn County 4-H and FFA Livestock Sale! Our exhibitors have been busy getting their animals ready for show and to provide consumers with a safe, wholesome product! Please feel free to reach out to us with any questions.

Agriculture is facing some uncertain times this year, and we want to make supporting our youth as easy as possible. We will be listing the animals and youth in this catalog to help make your livestock purchasing easier.

We will also offer proxy bidding this year. If you do not want to or are unable to attend the sale in person you will be able to purchase livestock by calling in a bid or working with a proxy bidder on the phone during the auction.

On behalf of the youth in Big Horn County we thank you for your continued support during these difficult times. Questions or concerns or information to set up proxy bidding can be addressed to the MSU Extension Office in Big Horn County at 406-665-9770. We look forward to working with you to purchase a well-cared for animal during the Big Horn County Youth Fair.

Thank you for your support of 4-H and FFA Youth!

Proxy Bid Information:
We are expanding our Proxy-Bid option this year. This way anyone who would like to by an animal but cannot attend the Sale can still purchase and support our 4-H and FFA Exhibitors.

We have several dedicated volunteers to help with this process. Please call the MSU Extension Office at 406-665-9770 to let them know you will need a proxy-bidder. We will then have one of our volunteers contact you directly about specifics such as budget, Lot #'s you are interested in, etc.

Donation Options:
If you are unable to purchase an animal at the project sale, there are many other ways to donate to 4-H and FFA youth programs in Big Horn County. These may include helping sponsor awards, events, or facility improvements for various project areas or our annual scholarship fund for graduating seniors. All donations are greatly appreciated and tax deductible. Please call the MSU Extension Office for more information. When making your donation please clearly designate where you would like your monies to go.
Due to COVID-19 there are several requirements that are in place for our live auction. We ask that you follow the protocol to help keep you, your family, the youth exhibitors and their families and the volunteers and staff safe. We understand that people have various feelings about the seriousness of COVID-19 but again to keep everyone safe these are the requirements that must be followed for our in-person live auction. If you are not able to follow these requirements, then we have set up proxy bidders and would be glad to work with you to purchase livestock from our 4-H and FFA youth. Thank you in advance for your cooperation in helping us keep everyone safe by following these requirements.

♦ Please pre-register by completing the enclosed information and return it to the MSU Extension Office as soon as possible.
♦ This covers your pre-sale registration for Fair.
♦ Sale starts at 10:00 am and will last approximately 3 hours. You will want to bring your own water and may want to bring a snack or sack lunch. There will not be a meal this year.
♦ All buyers will have their temperature taken and a short health questionnaire completed before they will be allowed on the fairgrounds. Please allow extra time for this process.
♦ Buyers will be given a mask to wear when they are within 6 feet of others. This helps prevent the spread from you to others and from others to you.
♦ Buyers will be allowed to view animals before the auction. There will be one-way traffic flow through each barn. There will also be attendants in the barns to help with traffic flow and answer questions you may have.
♦ Sale will be held in the grandstands arena. There will be one-way traffic flow into the grandstands and out of the grandstands. Traffic flow directions will be posted.
♦ Buyers will be ushered into the grandstands and seated 6 feet from other buyers. Please maintain social distancing throughout the sale.
♦ When leaving the stands please follow exit signs.
♦ When using the restroom, please follow traffic flow when leaving and returning to your seat.
♦ Swine exhibitors will sell their pig via a poster in the auction ring, not with the live animal.
♦ There will be no check-out after the sale. All buyers are asked to leave the grandstands and an invoice will be sent to them the following week.

What is Montana 4-H?
Montana 4-H focuses on Positive Youth Development while teaching leadership, citizenship and life skills. Using results-driven educational opportunities, 4-H helps youth see themselves as unique, resilient, life-long learners who actively participate in their own future. Montana 4-H is a family-centered program that values partnerships. Youth are connected to caring adults as partners in planning and striving for individual and community change. Montana 4-H programming is determined locally to fit the specific needs of youth involved. 4-H engages the broader community in supporting youth development and involved youth in building stronger communities through science, healthy living, and citizenship education. Montana 4-H provides inclusive programs that appeal to a diverse audience. 4-H believes that all young people, as members of families and communities, and citizens of a global society should have the opportunity to reach their full potential.

Big Horn County Youth:
Area 4-H & FFA programs are going strong and serving youth in Busby, Lodge Grass, Hardin and Custer through three FFA Chapters and five 4-H clubs. There are 151 members/exhibitors with quality projects entered in the 2020 Big Horn County Fair. Forty-eight leaders/advisors help these youth with project education, leadership, team building and life skills.

Big Horn County Livestock youth would like to thank you for taking the time to attend this year’s livestock auction. Your support of the youth is very important. Youth use the monies from the auction to fund the next year’s project, start their own herds, and save money for furthering their education after high school. Livestock shows and the auction are the culmination events of the year for our youth. Thank you for your support during the auction and throughout the year.

The 4-H and FFA Members, 4-H and FFA leaders and volunteers, Big Horn County 4-H Council and Montana State University Extension would like to thank you for your continued support of youth in Big Horn County and we look forward to seeing you at this years BHC Youth Fair Sale.
